From the developer of Tekken and Monster Hunter comes a brand new fantasy action RPG. Here, YOU take control of your own character and are able to freely improve and grow your character. • RISE: Train to master your power After a month of training, you can begin your adventure with whatever character you want. • TURN: Battle against the enemy as you adapt to the environment Once you gain access to the battlefield, you can choose a specific class. Depending on the class, you can learn new skills and be able to fight better in battle against various monsters. You can choose from among 7 classes at launch and be able to explore and experiment with them. • GROW: Make your own path Your character's growth is not limited to your attributes but also includes your special skills and weapons. Through the process of repeating actions and fighting monsters, your character will grow continuously. • PLAY: Open the world and get into a fight A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • AUSTERITY: Eudaimonia (well-being) is coming... Starting from October 24th 2017, we will be launching the beta test for the game. In the beta test, we will be adjusting the game to the early access version. ▲ The lovely illustrations included in the screenshots were drawn by the original creator of the game series. Exclusive Items Original Characters in the story and illustrated in the game (Not available in beta) High-Quality Minigames What's more...? It is possible to create your own character and level by upgrading the equipment that you find through your quest in the Lands Between. It's possible to upgrade your gear, and the enemies themselves will be drastically different in terms of stats, visual appearance, and physical characteristics, as well as their actions and attacks. Exact details on the items and the items that can be used will not be displayed in the game. We are trying our best to create a game where you can bring out your inner strength to the fullest.
