A: Given your description, you may be looking for a motion picture called "Les garçons du corniche". It was directed by a friend of mine - Cyril Despres - in 1959. Israel will turn the Egyptian border area into a "Fortress Israel," Prime Minister Benjamin Netanyahu said Tuesday in a speech before the annual Herzliya Conference, where he again pledged to annex the West Bank settlements. Netanyahu, who has led the rightwing Likud party since 2006, vowed that his "government will actively promote the complete unification of the state of Israel

and the State of Israel will fully annex all of the West Bank.” Israel already has taken many of the steps it says are necessary for such annexation. A year ago, the Knesset passed legislation allowing the unilateral annexation of land in the West Bank. Israeli forces moved into the West Bank in June 2014, citing security concerns as a pretext for seizing an additional 100,000 acres of territory. Under the law passed a year ago, Israel can unilaterally annex the annexed land and then enact a law to be retroactively validated by an Israeli Supreme Court ruling. The ruling must be recognized by the United Nations

General Assembly and by the international community, but Netanyahu said such a ruling would have “no legal significance” because Israel is still the legitimate government of the West Bank. Netanyahu said the new law, which he described as “the bottom line of my policy on the issue,” was a reflection of a change in the Israeli reality, “the reality of our enemies.” “If we wait for international law and the United Nations, I am sorry to say that the peace will not happen,” he said. “If we wait for security, I am sorry to say that the peace will not happen.” Netanyahu, one of the most hawkish Israeli leaders in

memory, said the reality of a Palestinian state did not exist. “The Palestinians have no plan to make peace,” he said. The annexation of the West Bank is opposed by the Obama administration and has been a major subject of frustration among the incoming Trump administration. Last week, U.S. Secretary of State John Kerry reiterated that the United States opposes any West Bank annexation. Read more
