The game is also available for free download on the publisher website. #Do not install this game on your main PC because it may cause a system crash. #Compatible game: HTC Vive #Compatible game: Oculus Rift #Compatible game: PS4 #Instruction: #Click the following icon on the bottom right of this game page. (ver 1.36.0.6) #Click link to download #Install game before playing. #When the installer starts, please install game and launch it. #Close it after installing. *Indicates new items. #New Item: GBP(Game Boat Pack) #GBP is a DLC costume in the game. #The download link is on the cover page. This is a video and guide on how to level up in Euro Truck Simulator 2. Please watch the whole video (Available in different languages) Ok, without further ado, and without saying "I love the truck simulator", let's start of the engine. My name is nadian, and I love the truck simulator, and I play it every weekend. Please be in my channel if you want to learn how to level up in the game. If you want to support my channel, please consider a subscription. It would help me a lot. There's not much to do in the game. Don't worry, there are many missions. When you've bought the game, it's time to find the first mission. To get in game money, you can build trucks, make deliveries, and make money. There are two, 3 6d1f23a050
