Disk Doctor for Mac v4.09.0 - Related Software - SoftwareAddict.com We live in a world where people feel more and more a part of a mass of humanity. For many in our generation, online connections and social networking sites have helped us to solidify our identities. We are less afraid to communicate and express ourselves, and because of this we have developed a language of our own - a global vernacular that includes texting, tweeting, skyping and posting. One person who has found a means of not only joining this rapid-fire language, but also extending it to include his work, is the designer and illustrator Bruno Correa. With a background in contemporary graphic design, Biscotti is a unique illustration label that continuously updates the internet by exploring the rapidly evolving world of social media. Biscotti's quirky, funny and colourful work draws inspiration from the worlds of publishing, pop culture and television. The underlying messages delivered through Bruno's work range from a love of food and nature to unadulterated fun and childish wonder. Bruno's illustrative style combines classic influences, with an incredible attention to detail that makes his work special and unique. His main inspirations are modern cinema, American comic books, TV shows, pop culture and pop music. Biscotti is always looking to showcase exciting new talent, and what we like best about their artist is that they have a sense of humour. With a background in graphic design and illustration, Bruno's work has grown from a part time hobby into a successful enterprise. The Biscotti company now represents both Bruno and his creative input, and Biscotti inks, paints and prints the illustrations, as well as handles the fulfillment and production of the finished goods. While Biscotti may be small, Bruno Correa is also big. Most people don't know who the artist is behind this project, but Biscotti is a product that will change the world. Bruno's vision and optimism for the future are infectious - his illustrations have the ability to alter the way we look at the world and the people in it. Biscotti's vision "We live
