Customer reviews of Origin Pro Amazon.co.uk 4.5 out of 5 stars Most helpful positive reviews 5.0 out of 5 starsThank you so much, save my life. First of all, thank you for making it available freely. Second, thank you for making it available in more languages. I started using it before the free version was even available and it saved me from wasting time and money on other products that didn't work. Amazing, I would never have been able to find such a reliable and comprehensive tool for a business. Thank you!! thank you!! 4 out of 5 starsIt's a bit strange I didn't find this program earlier but thank you for the crack. It allows me to make exact copies of my product images and works great 4.0 out of 5 starsI started using it before the free version was even available and it saved me from wasting time and money on other products that didn't work.
