It took 2 years to open the download link. I want to show you my thoughts about it. First, as i always say: I am not a journalist, I am a designer. I am not a PR or an advertising firm, i am an independent cartoonist. Second, this is my personal opinion. Third, I am a little hurt but its ok. Thanks a lot everybody. I hope you liked it. Whatever I do, I always keep everything respectful. I never assept the feelings of others. I will never insult someone. Also, I don't want my art to be used for evil. I can't really define evil, like I can't describe my feelings. Finally, I don't want to offend people by my article. That's why I put a disclaimer at the end of the article. You're the best reader. Thank you so much for keeping me on track! JOEY BADA\$\$ The punishment for downloading files containing a virus may vary according to the type of virus, and the downloaded material.
